

# Save the Date!

## Learn about environmental justice solutions at EPA Region 6's upcoming multi-state Environmental Justice Forum!

The forum will:

- Highlight successful environmental results based on multi-stakeholder collaboration.
- Provide details about results from successful and collaborative engagement between government, industry and communities.
- Foster multi-state participation in the Forum with unique response perspectives from participating states.
- Provide opportunities to meet and interact with EPA, state and local staff.
